

November 5, 2009

Hello Everyone

The Oregon City Schools Foundation has great news.

Our local Oregon City Fred Meyers has designated the donation boxes at the register to go to the Oregon City Schools Foundation. We are very excited about this and will receive all the monies put into these boxes until the end of January. Each box shows that the fund are being donated to the Oregon City Schools Foundation and we would love it if you could get an email out to all your families and staff telling them about this fantastic opportunity that Fred Meyers is giving to our schools.

All funds donated until the end January will come directly to the Oregon City Schools Foundation and then to our Oregon City Schools.

Thank you for helping to get the word out.
